BELGIN LINO S P

FULL-STACK DEVELOPER | B.TECH AI & DS STUDENT

Nagercoil,TamilNadu,India | belginlino485@gmail.com | github | linkedin

EXECUTIVE SUMMARY

B.Tech Artificial Intelligence and Data Science student targeting full-stack development roles, with hands-on project experience building web applications. Skilled in Python, JavaScript, React, Django, database integration, authentication and Firebase. Familiar with Git/GitHub, deployment fundamentals, and integrating machine-learning models into web interfaces.

TECHNICAL SKILLS

Programming: Python,Java, JavaScript

Frontend: React, Bootstrap, Vite

Backend: Django, Flask

Databases: MySQL, SQLite, Firebase Firestore

Tools: Git, GitHub

Deployment: Cloudflare, Vercel

PROFESSIONAL EXPERIENCE

POS & SHOP MANAGEMENT SYSTEM ERP

React, Vite , Firebase Firestore, Cloud Functions

- Contributed to a team point-of-sale application covering product, billing, invoice generation, and shop-management workflows.
- Built assigned reporting and export functionality; collaborated through Git/GitHub branches.

DJANGO E-COMMERCE WEBSITE

Python, Django, HTML, CSS, Bootstrap

- Built a storefront with product listings, search, category filtering, user authentication, cart, and order placement.
- Designed database models for products, users, carts, and orders; supported admin-side product and order management.

HEART DISEASE PREDICTION WEB APPLICATION

Python,Pandas,NumPy

- Developed a prototype that accepts patient health inputs and shows model-based heart-disease risk predictions from a trained ML model.
- Handled dataset preprocessing and connected model output to the web interface (not a clinically validated diagnostic tool).

WHITE AURA X PVT. LTD., TRIVANDRUM | Java Trainee / Intern

- Completed Java-focused training/internship, building foundational Java skills.

EDUCATION

B.Tech, Artificial Intelligence and Data Science — St. Xavier's Catholic College of Engineering, Chunkankadai

July 2024 – March 2028 | **CGPA: 8.2**

AWARDS & ACCOMPLISHMENTS

- Full-Stack WebDevelopmentTraining — AK Infopark
- Full Stack Development Completion Certificate
- Machine Learning Course Completion Certificate
